Kellogg's Bargain *Fall of* 1933 *Flower* Carnival

this is bargain No. 1

Hyacinths bloom early in the spring when the ground is still soft from melting snows, and their blithe, wholesome beauty is a welcome sight to winter-worn souls. Their gay, youthful colors have a freshness and crispness that are inspiring and refreshing. They benefit the very spirit.

We hope that every Kellogg customer will take advantage of this splendid offer, and if inclined to hesitate, remember that now your craving for beauty has been satisfied by four or more months of spring and summer. Look ahead to the dreary days at the end of winter and picture the longing you will have then for these beautiful, soul-awakening flowers. We offer you eight fine, healthy hyacinth bulbs for the rare and unheard-of price of only \$1.00, prepaid, and we urge you to order at once.

For Best Results order early, to give the bulbs plenty of time to develop before winter. Plant immediately after receiving. We furnish planting instructions.

R. M. KELLOGG CO. *Three Rivers, Michigan*

More Than You Expect!

Three Rivers, Michigan, 1933.

Dear Flower Lovers:

Here's your opportunity to get more for your money than you expect. When you can get two or three dollar's worth of flower beauty for only \$1.00 you surely are getting the best of it. Here are 24 pages of Dollar Bargains. Not a single one of these bargains is worth less than \$2.00 and many of the special offers are easily worth \$3.00.

Right now, this very fall, is the opportune time for you to make your home grounds beautiful. Nursery stock is going much higher. Next year, 1934, it will cost you at least \$2.00 to get what we are now offering you for only \$1.00. Buy now, because this is the end of "give-away" prices.

Take my advice and do your planting this fall. When I tell you that bulbs and all nursery stock are going much higher, you can safely bet your old flivver that I know what I am talking about. The general talk among all nurserymen is higher prices.

Beautiful flowers and shrubbery are just as important in life as beautiful clothes. I would rather have an old pair of overalls, gingham shirt and straw hat, with plenty of flowers, than a full dress suit and high silk hat without the flowers. Anyone who thinks that flowers are not an important thing in life is surely out of tune with the world.

Yes, we fully believe in flowers because they bring contentment, joy and happiness to all who see them, and what else could be more important than contentment and happiness. I ask you, if flowers are not one of the important things in life, why did the Creator give us so many different flowers and why do you give flowers when you want to express something that cannot be expressed in words?

Here in the great Kellogg Gardens our homes are literally surrounded with beautiful shrubbery and gorgeous flowers of all colors, tints and shades. Contentment and happiness prevail here. Come to Three Rivers and spend a contented hour among these Kellogg contented flowers. Gasoline is cheap and the roads are paved. You will find Kellogg flowers real aristocrats, but the Kellogg Boss and all the Kellogg folks are just plain, common human beings.

WARNING!

Tulips, Hyacinths, Narcissi, Daffodils, Crocuses, Poppies, and many other things listed in this catalog CAN BE PLANTED IN THE FALL ONLY. Do not expect to wait until spring. It cannot be done. You must order now.

Sincerely yours,

J.E. Beatty

Twelve Fine Narcissus Bulbs

The cheery Narcissus family is one of the most delightful of early spring flowers. Flowers are produced in abundance and are fine for borders, groups, or naturalizing. Can also be planted among shrubs and along-side of pools and streams. But they are perhaps most charming in small groups. The cheerful colors of yellow, orange and white are the very essence of spring.

Above is shown the Giant Trumpet type of Narcissus and at the right is the Double Daffodil type. You receive 4 bulbs each of these two types.

18 CHIONODOXA \$1

(Glory of the Snow)

Postpaid

18 bulbs—6 each of lavender, sky-blue and gentian-blue.

(BARGAIN No. 3).

They bloom about the same time as the crocus and produce a beautiful color display almost before the snow has left the ground. Spikes about 10 to 12 inches high. Plant in groups, closely, and they will cross themselves, drop their seeds, and produce a wonderful effect for the future. See picture above.

only
\$1.00
postpaid

(BARGAIN No. 2).

Here is what you get: Four bulbs of Double Daffodils, each a different variety; four giant trumpet type Narcissus, 2 bulbs each of two varieties; and four Short Cup Jonquils, each a different variety—**TWELVE bulbs in all—all twelve named and labeled.**

These come in a variety of tints, including light and dark yellow, orange, and white. Two varieties of Jonquils have touches of scarlet on cup.

Above is shown the Jonquil or short cup type. You receive four bulbs of this type.

Alba Plena Odorata.

28 Cheery Crocus ^{postpaid} only \$1

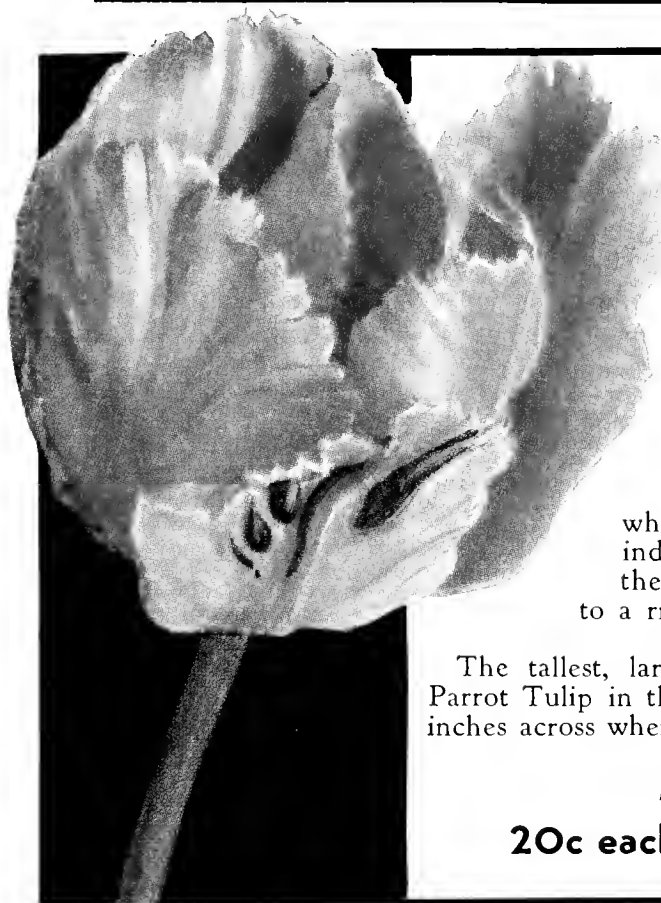

(BARGAIN No. 4).

These are the brave, saucy flowers that step impishly on the heels of retreating winter. At times they even push their pert heads through the last melting snows, and seem to smile reassuringly at mortals who are tired of low-hung clouds and gray, gloomy days. Yellow, white, blue and striped—7 of each. Can be charmingly grouped in the lawn, as they are through blooming before grass-cutting time, or they make charming borders. You will love Crocus!

All Three of These Groups—SPECIAL—Only \$2.75, Postpaid

TULIPS ONLY 5c EACH [EXCEPT FANTASY]

FANTASY

You will surely want some of these beautiful Tulips. The petals are bright pink faintly streaked with a lighter shade, and to lend the fantastic touch, a splotch of green appears here and there.

The flower is the feather-edged Parrot type which further adds to its individuality. The inside of the petals deepen in color to a rich red.

The tallest, largest, and most popular Parrot Tulip in the world; blooms 5 to 6 inches across when full open.

Price:

20c each; 3 for 45c

TULIP TYPES. Type means little to the average grower; hence, we are not separating the varieties according to type. However, we do state the type in the description for those who pay attention to that detail.

INGLESCOMBE PINK (Salmon Queen). (Shown above, top). Dainty salmon-pink. Cottage.

PICOTEE. (Shown above, center). Clear white dashed and edged with crimson-pink. Cottage.

ORANGE KING. (Shown above, bottom). Yellow with red in bold, wide streaks, producing a decided orange effect. Cottage.

**CHOICE
FIELD-GROWN
PLANTS**

From a Very Small Plant to These 600 Flowers in a Single Growing Season

The Glory of the Rock Garden The Flower of Radiant Pink

"Azaleamum" is the plant that was bought by thousands at \$1.00 each last spring. A brand new development in the plant world. A hardy perennial that will create a sensation in your flower garden or rock garden. Truly a feast for the eyes of the flower lover. "Azaleamum" is in a class by itself. No other flower will compare with it in quantity and beauty of flowers. The center of attraction in any flower or rock garden. A real show. Brings exclamations of wonder and delight from everyone.

"Azaleamum" is well described by its name and the picture shows it in all its natural color and exquisite beauty. Develops into a plant 30 or more inches in diameter in one season. Many who saw "Azaleamum" blooming the first year were so eager to obtain this most magnificent novelty they willingly paid \$2.50 for a single plant.

"Azaleamum"—a chrysanthemum type resembling an Azalea. More beautiful and more desirable than the Azalea because of its long, continued blooming season and perfect hardiness. In late summer and fall "Azaleamum" is completely covered with a mass of delicately colored, glowing, radiant pink flowers and buds. More than 600 flowers have been counted on a single plant at one time. Plant your "Azaleamum" this fall and next year you will have big plants covered with brilliant, radiant pink flowers like the one pictured here.

Be sure to order at least two or more of these amazing new plants. Be the first one in your locality to have this outstanding novelty in your garden. Now we offer you this brand new garden gem "Azaleamum" at the new and lower prices at the right, all choice, field-grown plants. Hardy!

The Next Page Shows a Glorious New Poppy

**Read Here How It
Was Born**

Years of effort—devotion to an ideal—love of flowers, particularly Poppies — startling success! That is the story of Perfection Poppy.

The ideal sought was the most beautiful Poppy in the world and one that could be guaranteed true to type—the startling success is, indeed, "Perfection."

Mr. and Mrs. Van Haaften.

Here are pictures of Mr. and Mrs. Van Haaften—happy, enthusiastic, and expert Poppy breeders of Kalamazoo, Michigan. If you could only talk to these genial Holland people, you would know instinctively and absolutely that **they know Poppies**. Their genius is the tireless, never-resting, inspired type that always produces something worth while—that always attains success.

They have attained their ideals magnificently, and we now offer you, for the first time, their masterpiece. Turn to the next page.

New!

Oriental

At last, years of breeding and selection have brought the perfect Poppy—**Perfection**—a Poppy we guarantee to come true to name and color or replace two for one. (See top of illustration for Perfection). Note the beautiful shell-pink color, the exquisite shape, the novel arrangement of petals, the beautiful color harmony with other flowers.

Fully opened blossoms measure six inches and the massive, fernlike foliage is unusually heavy and beautiful. You will love **Perfection**—more beautiful than the picture, most beautiful of all Poppies.

Perfection is the masterpiece of an untiring, enthusiastic and expert Poppy breeder. No other flower approaches it in natural magic of its coloring—its striking beauty. Nature lavishes her most exquisite skill upon this beautiful flower. We proudly dedicate it to Kellogg customers.

NEW PLAN. Instead of offering **Perfection** plants alone for \$1.00, we give you four other beautiful Oriental Poppies with it—5 in all—and all for the price of **Perfection** alone—all labeled—all guaranteed true-to-name and color. \$1.00 is all you pay.

A Kellogg Mystery Garden Gives You:

A DOUBLE BARGAIN. Each one of the groups you will receive is a bargain at the regular price of \$1.00 per group. You receive five of these \$1.00 groups for scarcely more than the price of three. A Mystery Garden saves money for you.

MORE FLOWER BEAUTY than you can obtain in any other way.

IT RELIEVES YOU of the bother of deciding what you want. It assures you a wonderful collection of flowers.

IT IS AN IDEAL WAY to start beautifying your home. With these flowers as a start, you will see many other things that can be done for beauty's sake.

NO TWO GROUPS ALIKE. You receive a wide var-

riety of flowers. The Mystery Garden will be made up of five of the various \$1.00 bargain groups found throughout this book, but no two groups will be the same in your Mystery Garden.

NO SHRUBBERY INCLUDED. Since shrubbery is not as adaptable as flowers, no shrubbery will be included in Mystery Gardens. **And if you request, no rock garden plants will be included.** Otherwise we reserve the right to make all choice.

COMPLETE INSTRUCTIONS are included for planting and growing the flowers in Mystery Gardens.

YOU WILL BE DELIGHTFULLY SURPRISED when you receive your Mystery Garden and see the wonderful collection of flowers that are yours. You will be amazed at the value.

(THIS IS BARGAIN No. 44).

ORDER one of these new "Mystery Gardens" and see the wonderful value you will receive. Peonies, hyacinths, tulips, gay perennials, iris, roses, narcissi, crocuses, lilies—all the beautiful coloring of the rainbow—flowers that look well anywhere—it is from these that your Mystery Garden will be made. You will not receive all of the groups mentioned, of course, but you will receive five groups—each one valued at \$1.00 Bargain Price, or \$1.50 to \$2.00 regular price. A bargain price value of \$5.00—a regular price value of \$7.50 or more. Costs you only \$3.25, postpaid.

Finest Plants and Bulbs

The plants and bulbs are exactly the same that you would receive if you ordered the \$1.00 bargain groups individually or if you ordered each plant and bulb

individually. They come from the very same stock. No discrimination is made. The only difference is that you do not know in advance what you are going to receive.

We, ourselves, cannot say now what you will receive. These Mystery Gardens are made up of plants, roots and bulbs that we have in excess of our orders and we cannot determine what these will be until the season is well under way. That explains why we give you such wonderful value for so low a price.

Order Now—Limited Supply

There are dozens of reasons why you should order a Mystery Garden—and we know that hundreds of you will want them. To be sure of getting one, you must order at once, because—

We reserve the right to refuse Mystery Garden orders after October 15th if it appears there will be no surplus stocks. We agree to fill all Mystery Garden orders received up to October 15th.

SHIPPING SEASON EXTENDS TO NOVEMBER 30th.

Free! SIX Dutch Iris

A Beautiful Orchid-Like Flower

No extra cost to you whatever—we send the six bulbs to you post-paid—all named and labeled—six different varieties—each a different color—a \$1.00 value—something new and beautiful for you.

We are not offering the Dutch Iris for sale but are giving them as a special gift this fall with every order from this "Bargain Carnival" amounting to only \$3.50 or more (Mystery Garden excepted).

Everyone loves flowers and we know you will find it easy to make an order of that size.

DO NOT compare Dutch Iris with ordinary Iris. They are entirely different, resembling an orchid in flower and a tulip in habit of growth. The colors are brilliant and clear and give striking effects when planted in groups or in beds the same as with tulips or hyacinths. They reproduce from bulbs instead of roots or rhizomes.

The bulbs we give you are a fine large size that will bloom for you the first year. They are perfectly hardy and will live through the winter. Plants grow about 18 inches high. They bloom all through the month of June.

If your order amounts to \$3.50 or more

(excepting Mystery Garden)

The Dutch Iris are new and entirely unknown to thousands of people and you will be adding one more beautiful novelty to your garden if you have them. Many consider them more beautiful than the German Iris, both in flower and plant. Stems are straight and erect, and color of foliage a beautiful green which makes a lovely background for the bright colored flowers.

Do not think for a minute that the value of these bulbs is in any way lessened because they are free. These bulbs come from Kellogg's, and, free or not free, Kellogg satisfies. You will receive the same high grade quality stock that would be furnished if you paid the regular price of \$1.00 for the bulbs, with the same Kellogg Guarantee of satisfaction. Every flower lover should take advantage of this offer.

12 with \$5.95 Order

If your order amounts to \$5.95 or more you may have two of these Dutch Iris Collections Free of extra charge—12 bulbs in all.

Kellogg's Dutch

Iris Collection

Here are the varieties of Dutch Iris you receive Free.

1 ANTON MAUVE. Pearl-blue; large flower.

1 D. HARING. Tall white, tinted lilac.

1 FRANS HALS. Primrose-yellow, standards pale blue.

1 IMPERATOR. Large, brilliant blue.

1 WHITE EXCELSIOR. Very large white.

1 YELLOW QUEEN. Very tall; deep yellow.

Total value of this collection is \$1.00. Given to you without extra charge if your order (except Mystery Garden) amounts to \$3.50 or more. Two collections if order amounts to \$5.95 or more.
